RETURNS POLICY

IF YOU ARE NOT SATISFIED WITH YOUR MERCHANDISE

- If you are not 100% satisfied with the parts you received, **call the sales department within 30 days** of delivery for a return authorization number. **DO NOT RETURN PARTS WITHOUT AN INVOICE AND AUTHORIZATION NUMBER!**
- A 10% restocking fee is charged on all parts returned within 30 days. If we approve a return past 30 days a larger restocking fee may apply. Parts that arrive: 1) Defective 2) Damaged in transit (see below) 3) Shipped in error, will not be charged a restocking fee and a return label may be supplied for the merchandise.
- Any part returned must be in NEW--SALE condition as determined by our returns department. Parts that have been disassembled, drilled, welded, cut, painted, or modified in any way cannot be returned. Any incomplete kit returned will not be given credit.
- The purchaser is responsible for the packaging of the returned package as well as shipping charges. Be sure your return package is wrapped properly to avoid the loss of small parts or parts being damaged in transit. Do not pack larger packages in boxes larger than they came in. Large packages are charged by size not weight.
- A credit will be issued for returned merchandise only, shipping costs are not included. Upon your instructions, we will issue a refund check provided your check cleared the bank. Credit card purchases will be credited immediately.

IF YOUR MERCHANDISE ARRIVES DAMAGED

Examine and count all packages carefully. Multiple package shipments may not arrive on the same day. If parts arrive damaged, **contact Mill Supply as soon as possible, we must be contacted within 3 days.** (BE SURE TO KEEP ALL PACKING MATERIAL.) Freight shipments must be noted as 'DAMAGED' before you sign the Bill of Lading. Claims inspectors will not accept responsibility for damaged merchandise without seeing the carton it was shipped in. Mill Supply is not responsible for damaged merchandise that can not be properly examined by the claims inspector. **Mill Supply's Guarantee** is equal to or better than what each manufacturer furnishes. In no case is it greater than the cost of the merchandise.
